FUNERAL PLAN

For as little as R26 per month you get:

Various cover options	R500 Funeral Assistance Benefit (FAB)	Funeral Income Benefit (FIB) 30% of cover amount	12 months Continuation of Cover (COC)	Accidental death benefit pays 60% of cover amount
Get cover from R5 000 to R30 000. • For a small additional premium, get cover for up to 6 extended family members.	We understand that there are calls to be made, tea to be served, so the family receives an additional R500 when a claim is paid.	Death of a breadwinner is tough, so FIB assists the family financially for 3 months after the death of the policyholder.	We know that when a breadwinner passes on, the family can be left without cover. We pay the premiums for 12 months after the death of the policyholder.	In the event of an accidental death, you will receive the funeral benefit cover amount plus an additional 60% of the cover amount.
